

Tennyson King

If you're looking for the place where your soul can be wild and your heavy-heart assuaged, follow the sound of Tennyson's crisp, warm voice, as he plucks an electric chord and hammers out a beat on the kick-drum, a true Chinese Canadian indie folk nomad.

RECOGNITION

"Tennyson King has fast become one of Bendigo Blues & Roots Music Festival's favorite international acts. Whether playing solo or with a band, he's consistently warmed hearts and made fans of our local and visiting audiences."

Bendigo Blues & Roots Festival

"Be prepared to be swayed, educated, and moved by this artist who has a highly original way of describing the world around him."

Nick Hanlon - Green Music Australia

"Great arrangements and very thoughtful music. There is a very straight ahead, forthright quality to his songwriting - which is lovely."

Laurie Brown CBC Radio - The Signal
